

## LXR18 Design: Martin Ballendat, 2021

## Technical details

---

### Model

#### **Inner frame Springs seat**

Steel frame combined with sheet material.  
Hard steel zig zag springs.

#### **Filling**

PU/HR foam.

#### **Frame**

Chrome plated steel.  
Option: All selected Epoxy colours (powder coating).

#### **Gliders**

Synthetic black (can be changed with felt gliders by enduser).

#### **Upholstery**

We don't recommend patterned fabrics due to design.

#### **Piping**

Piping follows the selected upholstery for the frame. Option: Other fabrics from Leolux fabric collections.

#### **Decorative stitching**

Double-stitched decorative stitching.

#### **Table**

Solid oak in all selected oak oil and stain colours.

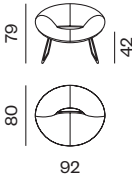

### Please note

Stretch fabrics cannot be combined with other upholstery materials. However, it is possible to combine colours from the same stretch fabric.

### **Certifications**

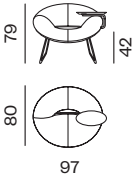

All sheet materials used in this model comply with the CARB2 requirement or are NAF certified.  
All materials used in the furniture meet the legal requirements of the country of destination. Foam materials with flame-retardant characteristics can be supplied on request.
